

November 30, 2025: The American Military Has Gone to War Against American Citizens

I am writing to clearly alert you that criminals are controlling your armed forces and are directing your tools as weapons against their political enemies.

Ever since I was elected as a PRECINCT CHAIR in Bexar County, Texas, Donald Trump's team has been using your tools to spy on our home and threaten us with harmful retaliations for not going along with his murderous and treasonous plot to wage a war against his own country.

I am simply writing to inform your team that it is being used as a tool of treason on behalf of a giant toddler named Donald Trump.

You are a disgraced organization working on behalf of a disgraced President.

I am clearly having my home targeted in retaliation for not bowing down to a criminal administration as it wages a psychological war against my home.

SHAME ON YOU ALL.
